

In life, there are times when we all need help with problems. At HAGA, we understand that. For over thirty years, we have been working with people in Haringey who are concerned about their own drinking or that of someone close to them.

HAGA works with and on behalf of people, families and communities affected by alcohol. Founded in 1981, we are one of the very few to focus exclusively on alcohol through our work in service delivery, consultancy and campaigning.

HAGA's vision is a community with an informed relationship with alcohol, able to understand and discuss its effects, pleasures and difficulties, with families supported to deal with its negative impacts. We want everyone to be able to access support and treatment for alcohol if and when they need it.
